Biography

Raquel serves as the Chief Security Officer of Trimont overseeing all cybersecurity functions of the company and its affiliates worldwide. She serves on Trimont's Executive Management Committee and Risk Committee. Raquel also chairs the Security Steering Committee which oversees the adherence and governance of security at Trimont.

In her role, Raquel is responsible for security strategy, program oversight and architecture advisement for the organization. She interfaces with internal and external parties on security matters such as security audits, assessments, and third-party risk management activities. With more than 20 years of technical experience, she provides a solid security model that supports the company's growth and business initiatives.

About Trimont

Trimont ([www.trimont.com](http://www.trimont.com)) is a specialized global commercial real estate loan services provider and partner for investors and lenders seeking the infrastructure and capabilities needed to help them scale their business and make informed, effective decisions related to their investment in commercial real estate secured credit.

Data-driven, collaborative and focused on commercial real estate services, Trimont brings a distinctive mix of intelligent loan analysis, responsive communications, and unmatched administrative capabilities to clients seeking cost-effective solutions at scale.

Founded in 1988 and headquartered in Atlanta, Trimont's team of 1,100+ employees serve a global client base from offices in Atlanta, Bengaluru, Charlotte, Dallas, Hyderabad, Kansas City, London, New York and Sydney. The firm currently has USD 700B+ in loans under management and serves clients with assets in 72 countries.
